During the National Hunger and Homeless Awareness Week, Walk the Talk will be walking into your neighborhood soon. For ten days these walkers will walk around Oahu not only to raise funds but to bring awareness to the issue of homelessness. Come and talk story and share how you can help. Your participation of walking, volunteering or donations will make a difference in the lives of those that need it the most.

WHAT YOU CAN DO ...

Walk all or part of Oahu. We support you every step of the way.

Raise $1 or $10,000 and 100% will go directly into the work of refurbishing the buses.

Organize a team at work, at school, where you worship, or from your neighborhood.

Volunteer to help out at any of the ten stops.

Making a difference in our community...

As more and more people find themselves on the streets without a roof over their heads, H-5 is forging ahead with an idea to temporarily house people in former tour buses converted into sleeping quarters. 100% of funds raised from the Walk goes toward the work of moving people off the streets and on to a safe and welcoming environment where individualized help is certain.

Walk one mile, one leg or around the island!

The Walk is a well-designed scenic route around the island of O'ahu.
